10 No conditional tender will be accepted.

11 The rates quoted should be inclusive of all the taxes prevailing in the area.

12 The final acceptance of tender rests with the Conservator of Forests, Bellary, who reserves the right of accepting or rejecting any tender without assigning any reasons therefor.

13 The rates quoted hold good till the acceptance of the tender by the competent authority, and the accepted rates hold good till the completion of work, or the period of contract, whichever is earlier.

14 The acceptance of the tender will be communicated to the successful tenderer and thereafter the earnest money deposit paid by the unsuccessful tenderres will be returned to them through cheques issued by the Divisional Forest Officer, Raichur.

15 The successful tenderer shall, within a week from the date of intimation of acceptance of his tender, execute an agreement bond on stamped paper of the prescribed value at his cost, before the Divisional Forest Officer, Raichur, accepting the terms and conditions of the contract, failing which the earnest money will be forfeited to Government and his contract cancelled, without giving any further notice.

16 The earnest money of the successful tenderer shall be retained as security for the due fulfilment of contract.

17 The monthly progress of work shall be uniform and the work should be completed within the due date specified above i.e., 15th March 1963, failing which the contractor shall pay the fine as will be imposed by the Divisional Forest Officer, Raichur. The Divisional Forest Officer, Raichur, is empowered to terminate the contract in case of unsatisfactory work during any time of the peroid of contract.

18 Solvency certificates, Sales and Income-Tax clearance certificates should be produced by the tenderer before execution of the agreement.

19 The contractor shall make his own arrangements for providing and conveying his materials, implements, supply of water, etc., and no extra amount will be paid for any additional work. For implements, if supplied by this department, hire charges or the actual cost of implements existing on record shall be recovered on any date after the issue of the notification. This department does not bind itself to hire any implements. The contractor shall make his own arrangements.

20 The work should not be sublet to others.

21 The tenderer contractor shall bind himself for good behaviour of himself and his workmen towards the supervising staff of the Department.

22 The contractor shall submit his bills for works through the Range Forest Officer, for payment, on the basis of entries made in the M.B. duly checked by the Range Forest Officer. He must sign the M.B. or any other order-book kept by him (The Range Forest Officer), or supplied by the Department and see that all the instructions given from time to time are strictly complied with in time, and as per directions of this Department official.

23 In the event of dispute relating to the interpretation of the contract conditions, the decision of the District Forest Officer, Raichur, shall be final and binding on the contractor.

24 The submission of the tender by the contractor implies that he has read the notice and conditions of the contract and has made himself aware of the scope and specification of the works to be executed.

25 Every contractor shall have to get himself registered according to the Rules of Registration of Contractors of the Department.

26 In the case of all work, the area will be handed over to the contractor, subject to the availablity and handing over by the Revenue authorities in time. In the event of non-availability of the areas, the contractor shall have no claim for damages or loss.

27 This Department reserves the right to get the filing item under No. 2 above, done departmentally if it so chose to do. In such cases, the contractor shall have no claim for that portion of work or the whole item of work taken up departmentally.

28 Estimated amount of work indicated in the notification for tender is only approximate. Payment will be made only as per the amount sanctioned in the estimate by the competent authority after deducting the lowest rates offered by the successful contractor.

29 The contractor shall have to pay compensation to the disabled workmen working under him for any injury or death occurred at the time of executing the work.

30 If the successful tenderer does not start work within the fixed period and if the contractor who after executing the agreement does not show good progress of work, the Divisional Forest Officer, Raichur, may get the work done departmentally at the risk and cost of the original tenderer or the contractor, as the case may be If in the retender there is a loss to Government such loss will be recovered from the contractor or the successful tenderer as an arrears of land revenue.

P. B. BIDIKAR,

Divisional Forest Officer.
